

Timeline

Redefining participation on trade policy

Singapore

ICTSD reporting and briefings provide unprecedented access to negotiations.

Seattle

ICTSD organises side events to facilitate interaction between policymakers and influencers.

Cancun

First Trade and Development Symposium reaches scale as a major parallel event for engagement.

Geneva

TDS delivers extended global engagement and reporting in six languages.

Bali

TDS adds Bali Business Forum and E15 tracks. Interactivity extended via coordinated social media.

Buenos Aires

With all eyes on Buenos Aires for both WTO MC11 and G20, TSDS 2017 provides an open platform to help global governance evolve to meet the challenges of the new economy.

Geneva

ICTSD facilitates participation of influencer community through briefings and multilingual reporting and analysis.

Doha

Extended convening and reporting increases ICTSD's recognition as a trusted source of knowledge and participation.

Hong Kong

TDS expands, allowing new participation including Fair Trade Fashion Show, 50+ partner events, and reporting.

Geneva

TDS focuses on LDCs and WTO generating greater systemic focus building on initiatives such as Aid-For-Trade.

Nairobi

TDS in Nairobi is a first for Africa. ICTSD and partners organise Africa track focus in Road to Nairobi events beginning in early 2015.
